Feel good about your next holiday knowing that the cost of accommodation is going to CanTeen

Stayz launches Australia's biggest holiday charity auction

7 June 2010: CanTeen is one of four charities selected to be beneficiaries of **Stayz Give & Getaway** - Australia's Biggest Holiday Charity Auction.

Over eight weeks, Stayz Give & Getaway Charity Auction will provide the opportunity for Australians to bid on more than 300 holiday getaways with 100% of proceeds going towards some of Australia's most worthy charity causes – one of them being CanTeen, the Australian Organisation for Young People Living with Cancer.

CanTeen's Members are young people (12-24 year-olds) living with cancer, including cancer patients, brothers or sisters of cancer patients and young people with a parent or primary care giver with cancer or has died from cancer. CanTeen provides Members with a place where they can simply be young people - away from the adult dominated environment of cancer hospitals and treatment regimes. Through its camps and programs, CanTeen encourages its Members to get involved, make friends and have fun! In the words of its Members, the most effective form of support is from other young people in a similar situation - who have "been there, done that".

"We've been overwhelmed by the response from Stayz property owners who have generously donated holiday rentals and now we're urging Australians to get onboard, give to charity and organise a holiday they can really feel good about," said Kirsty Shaw, General Manager of Stayz.

The online auction will run from Tuesday 15 June to 10 August 2010 and over this time Australians are invited to visit www.stayzgiveandgetaway.com.au to bid on great value getaways ranging from two to seven nights. When bidding, people will be asked to nominate which of the 2010 charity partners they would like to support should they be the successful bidder.

Roz Taylor, CanTeen's National Partnership Manager said: "CanTeen is thrilled to be part of Stayz Give & Getaway. The auction will raise money for CanTeen programs that give young people living

with cancer their own getaway. A getaway from the daily stresses that they experience in the hospital and the home as the result of a cancer diagnosis, either for themselves or a member of their family. Every year in Australia, thousands of young people are suddenly confronted with this life-altering situation. CanTeen supports, develops and empowers these young people to take back control of their lives. Every successful getaway bid for CanTeen is an investment in the future of young Australians living with cancer. Thank you.”

Getaways at each property will be on auction for several days and new properties will come up for auction each day during the campaign period. All money collected from successful bidders will be forwarded to the charity partners on the bidder’s behalf. Successful bidders will have 12 months to redeem their getaway.
