

Online Fundraising

You can create your own personal or team 'Fundraising Page' which is a simple and effective way to collect funds enabling friends and family to donate easily to CanTeen.

You don't have to handle any money and CanTeen doesn't have to issue any receipts, it's all taken care of by our online provider.

5 Easy Steps to Create a 'Fundraising Page'

1. Go to the relevant everyday hero website below and click on 'Build Fundraising Page'.

- Raise More than a Sweat online fundraising page:
www.everydayhero.com.au/event/canteen
- General online fundraising page:
www.everydayhero.com.au/event/canteenfundraising
- Celebration Donations page:
www.everydayhero.com.au/event/celebration_donations

2. Enter in a user name and password. It is usually best to use your full name so that it is easy for people to find you and for you to remember! Then fill out your contact details as required.

3. Click on 'create your individual page' or 'create a new team' and choose how you'd like your fundraising page to look.

4. Type in your personal message, set a fundraising target and upload your picture or video. Personalise your page as much as possible to engage people's attention! Explain why you are trying to raise money and why you support CanTeen. Make the page your own.

5. Send your new fundraising page web address to all your contacts and include it in your email signature at work. Don't forget to send out reminder emails for people who have forgotten to donate!

NB: Everyday Hero deducts a small service fee and passes all donations on to CanTeen as well as arranging receipts. Neither you nor CanTeen have to chase up money or handle any cash, all of this is managed by Everyday Hero.
