About Canteen

We get it. Just when life should be full of possibilities, cancer crashes into a young person’s world and shatters everything.

We help young people cope with cancer in their family. Through Canteen, they learn to explore and deal with their feelings about cancer, connect with other young people in the same boat and if they’ve been diagnosed themselves, we provide specialist, youth-specific treatment teams.

No matter which role you are in, volunteering with Canteen is a chance to support young people rebuilding the foundations that crumbled beneath them when cancer turned their world upside down.

Life at Canteen

Canteen is one of the most highly regarded not for profits in Australia (4th in fact) with one of the most recognisable brands across the country (who doesn’t know about the bandanna!).

Volunteering with Canteen is an inspiring, rewarding and purposeful experience that really enables you to be at your best. Canteen has a passion for all things people and are continually working on ways to make our organisation an even better place to work. We have a culture we are proud of and want to find more people who share our commitment, enthusiasm and passion!
